Supreme Court*

corporations are among the most powerful institutions of our time but they are also
responsible for a wide range of harmful social and environmental impacts consequently
political movements and nongovernmental organizations increasingly contest the risks
that corporations pose to people and nature mining capitalism examines the strategies
through which corporations manage their relationships with these critics and adversaries
by focusing on the conflict over the ok tedi copper and gold mine in papua new guinea
stuart kirsch tells the story of a slow moving environmental disaster and the international

network of indigenous peoples advocacy groups and lawyers that sought to protect local rivers and rain forests along the way he analyzes how corporations promote their interests by manipulating science and invoking the discourses of sustainability and social responsibility based on two decades of anthropological research this book is comparative in scope showing readers how similar dynamics operate in other industries around the world

how do lawyers resolve ethical dilemmas in the everyday context of their practice what are the issues that commonly arise and how do lawyers determine the best ways to resolve them until recently efforts to answer these questions have focused primarily on rules and legal doctrine rather than the real life situations lawyers face in legal practice the first book to present empirical research on ethical decision making in a variety of practice contexts including corporate litigation securities immigration and divorce law lawyers in practice fills a substantial gap in the existing literature following an introduction emphasizing the increasing importance of understanding context in the legal profession contributions focus on ethical dilemmas ranging from relatively narrow ethical issues to broader problems of professionalism including the prosecutor's obligation to disclose evidence the management of conflicts of interest and loyalty to clients and the court each chapter details the resolution of a dilemma from the practitioner's point of view that is in turn set within a particular community of practice timely and practical this book should be required reading for law students as well as students and scholars of law and society
